

BIRTHDAY PARTY INTEL BRIEF

TOP FUN BIRTHDAY PARTIES

Mission Overview:

Air Combat Zone replaces the "same old, same old" Birthday Party activities with a completely unique fighter pilot experience dog-fighting each other in fighter jet flight simulators. Make this year's Birthday Party unforgettable with the thrill of air combat action and a solid focus on everyone having a great time together. Our party packages are perfect for all ages 10 and over.

All of your "pilots" will take a crash course in dog fighting with a CF-18 Hornet jet fighter. Training includes skills development on PC simulators and a pre-flight briefing. Once trained, they're off into the cockpits of our 4 Hornet flight simulators for practice and a live session of dog fighting. We offer 2 Birthday Party packages and the option to extend the fun with a TOP FUN Round Robin Competition designed to rally your troops

together with a competition developed to keep everyone in on the fun.

BIRTHDAY PARTY INTEL BRIEF

Package #2: The Deluxe Battle Package

Our Deluxe Battle package is all-inclusive so you can relax about the planning the party details and come out looking like an ace for making this birthday unforgettable! In addition to everything in the Basic Battle Package, the Deluxe Battle Package includes:

- Pizza to keep your pilots fueled for the battle.

Optional TOP FUN Round Robin Competition

Add an additional 30 minutes to your event to keep the excitement alive with our TOP FUN Round Robin Competition (RRC) option. Once all your "pilots" are combat veterans after their first mission in the sim's, we start the RRC by having 4 of them climb back in the cockpit to start the battle. The fight rages on under the watchful eyes of your party goers until it's time to "knock it off" bringing your unforgettable event to a close.
